

GMAT Instructor Position

Position Title: GMAT Instructor/Tutor

Teaching Location: Toronto, Chicago, Vancouver

Company Description:

Quantum Test Prep is a premier provider of test preparation services for a number of major graduate level admissions tests, including the GMAT, LSAT, and GRE exams. These services include large-scale comprehensive classroom courses, small intensive group-based workshops, as well as customized individual/1-on-1 tutoring. Quantum offers 'premium' quality test preparation courses to students who want to achieve the highest possible score on their respective GMAT/LSAT/GRE exams. For more information about our company, please visit us at www.qtprep.com.

Position Description:

Quantum Test Prep is currently looking to hire a select group of professional GMAT Instructors to help meet the growth needs of its GMAT course offering.

Quantum Test Prep is interested in hiring expert teachers who have proven their mastery of the GMAT and who can engage students of all ability levels in a stimulating and rigorous learning environment. Instructors will be hired to teach complete GMAT courses and to tutor students one-on-one or in small groups. Quantum Test prep provides all of its GMAT Instructors with extensive teacher training as well as a full suite of Instructor & Student Teaching Materials.

The best fit for this position will be someone who has a passion for teaching, a dynamic & engaging personality, and a sincere desire to become an integral part of a rapidly growing player in the Education Management Industry. All Quantum Instructors are expected to maintain strong professional ethics, work effectively with the Company's management & administrative staff, as well as make meaningful contributions to the future development and success of the overall organization.

Qualifications:

- 95th percentile or higher Official GMAT score (700+)
- MBA or other top graduate school degree (i.e. Masters or Ph.D. program)
- Prior significant GMAT teaching experience (min 3+ yrs or 1500hrs)
- A passionate teacher who is able to convey complex concepts to students in a simple & effective manner (demonstrable stellar course evaluations and student feedback)
- A relatively flexible teaching schedule (particularly on evenings and weekends)
- Willingness to make a minimum 2-year teaching commitment (willing to sign Quantum's standard non-compete + non-disclosure agreement)

Salary:

Quantum Test Prep offers by far the most competitive instructor compensation package of any test preparation company in the industry. In addition to having one of the highest starting base salaries, Quantum also offers its instructors a three-tiered incentive-based bonus system. This system provides further rewards for instructors who teach larger classes, receive high student evaluations, and go out of their way to help students.

Application Requirements:

Your application must include the following:

- Cover Letter (detailing prior teaching experience)
- Resume (outlining full academic & professional background)
- Copy of Official GMAT Score Report (including GMAT exam date)

To Apply:

Interested candidates must submit their application via email to: teach@qtprep.com. Successful initial applications will then receive an email response from us outlining next steps in the hiring process.

Note: We may conduct Employment Verification, Criminal Record, Education and Credentials Verification check.
